

## What we can do for you....

*"Your one-stop shop for technical production and event services"*

- Lighting
- Production/Stage Management
- Audio Visual & Presentations
- Graphical/Website Design
- Sound
- Event Management
- Set Design and Construction
- Marketing & Publicity

We are **2Can Productions**, a new Event Management/Technical Services company working from Cardiff, throughout Wales and the UK and we are keen to see how we can work with you.

### Why choose us?

**Industry Experience** | We understand the requirements of any technical production, enabling us to cater for your specific needs and to get the show up on time.

**Technical Knowledge** | Our team of professionals are highly skilled in a wide range of areas enabling us to meet the most demanding of technical needs with minimal fuss and to maximum effect.

**Professional & Flexible Service** | Our industry experience means we can offer a flexible, bespoke service, when you need them and to the highest standards.

Whatever your requirement, whether it be lighting for a touring theatrical production or stage management for a street show **2Can Productions** is the ideal company to provide you with a well timed, professional service.
